

Answering the Call Spring Term 1

Travelling back over 80 years... Year 6 will be learning about what life was like for people in Britain during World War II this term – here's what we'll be learning about in the coming weeks.

English

- Narrative – The Lion and The Unicorn
- Letters.

Look out for:

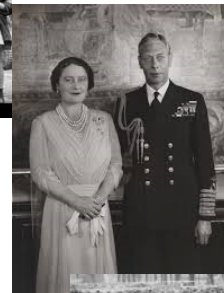

- Stibbington trip letter;
- SATS meeting information;
- any additional homework.

Mathematics

- Fractions
- Percentages and Decimals
- Geometry
- Algebra
- Statistics

RE

- Sources
- Unity
- Death and New Life

Science

- Diet and Healthy Living
- Circulatory System

Geography

- Counties of England
- Distance and routes through Europe
- Investigating change of land use over time

How to support your child further:

- visit the library for non-fiction texts about WWII;
- talk to family members who might have been alive through the war;
- Mathematics;
- TTRockstars;
- Reading every night;
- Check their spellings in reading records and practise.
